We aim to be a premier firefighter training program and be the cornerstone for future career development in the fire service. Our members will learn Pride, Honor, Respect, and above all else Community Service.

Prior to the consolidation of the Livermore-Pleasanton FD, each department had its own volunteer program. LFD had volunteers while PFD had an Explorer Post. After the consolidation in 1996, the LFD Volunteer Program transitioned into the current Reserve Program.

Reserve Firefighters will learn basic Firefighter-1 skills starting with an academy spread over multiple weekends. Regular trainings will continue once a month to covering topics from Auto-Extrication, rope systems, wildland, and medical skills.

Once a Reserve Firefighter completes 6 months, they will then be allowed to interact with paid LPFD Firefighters through company ride-alongs. Here they will learn the daily activities from community service, Public Education, department training, and station chores.
